

Diver Declaration for Participation with Personal Equipment

I, the undersigned, _____, hereby declare that the personal diving equipment in my possession, which I intend to use for diving activities, has been inspected in accordance with the Israeli Diving Law, 1979.

- The diving cylinder has undergone a pressure test and complies with the standards of the Israeli Standards Institute.
- The air was filled at a licensed diving center.
- The regulator has undergone annual servicing and is in proper working condition.
- The buoyancy compensator device (BCD) has been inspected and found suitable for diving.
- The pressure gauge and depth gauge are functioning properly.
